AGENDA INFORMATION SHEET

Agenda No.: Item 8A
Meeting Date: September 4, 2019
Title: Second Amendment to the First Amended and Restated Disposition and Development Agreement between the Arvada Urban Renewal Authority and Trammell Crow Company LLC

ACTION PROPOSED: Approve the Second Amendment to the First Amended and Restated disposition and Development Agreement between the Arvada Urban Renewal Authority and Trammell Crow Company LLC

INFORMATION ABOUT ITEM: Trammell Crow is requesting an extension of several milestones contained in the Second Amended and Restated Disposition and Development Agreement (DDA).

There have been matters outside the Developer's control, including the appeal of a legal challenge to the City's approval of the Preliminary Development Plan for Phase I that has delayed the progress on the project. As a result, the Schedule of Performance will need to be amended to accommodate the additional time. Assigning hard dates to a schedule is challenging when the date the legal issues will be resolved is unknown. Therefore, rather than assign specific dates to the milestones, milestones will be measured from the date the legal issues are resolved – for example; closing will occur within 90 days of resolution of legal issues. We have; however, included in the Schedule of Performance estimated milestone dates based the professional's assumption on when the legal issues should be resolved. This estimate adds an additional ten months to the Phase I schedule.

Trammell Crow is advancing the schedule for Phase II by ten months.

FINANCIAL IMPACT: Moving the dates back several months does not have an impact on AURA's finances as the incremental sales and property taxes have been pledged to Trammell Crow to offset the extraordinary public improvement.

STAFF RECOMMENDATION: Approval of the Second Amendment to the First Amended and Restated disposition and Development Agreement between the Arvada Urban Renewal Authority and Trammell Crow Company LLC

SUGGESTED MOTION: I move that the AURA Board approve the Second Amendment to the First Amended and Restated disposition and Development Agreement between the Arvada Urban Renewal Authority and Trammell Crow Company LLC

First Amended and Restated Disposition and Development Agreement between Arvada
Urban Renewal Authority and TC Denver Development, Inc.**

WITNESSETH

Whereas, the Arvada Urban Renewal Authority (the "Authority") and TC Denver Development, Inc. (the "Redeveloper"), entered into a Disposition and Development Agreement dated December 2, 2015, for the redevelopment of certain property located within the Olde Town Station Urban Renewal Project Area for use as a mixed-use development (hereafter, the "Project");

Whereas, the Authority and Redeveloper entered into a First Amended and Restated Disposition and Development Agreement dated as of April 25, 2018 (the "Amended DDA"), to recognize the Project's development in two distinct phases with independent schedules, funding, and incentive agreements with the Authority;

Whereas, matters outside of Redeveloper's control, including an ongoing legal challenge to the City's approval of the Preliminary Development Plan for the Project, require additional modification to the milestone dates for Phase 1 of the Project;

Whereas, other factors will allow for a faster than anticipated completion of Phase 2 of the Project; and

Whereas, the Authority and Redeveloper therefore wish to further amend the Amended DDA to change certain milestone dates for the Project as set forth below (hereafter, the "Second Amendment").

In consideration of the following promises, covenants, agreements and other good and valuable consideration, the sufficiency and adequacy of which are hereby acknowledged and confessed, it is THEREFORE AGREED BY THE PARTIES AS FOLLOWS.

1. The milestone dates set forth in Exhibit G to the Amended DDA, the Schedule of Performance, are hereby amended as follows for Phase 1:

F. The Closing deadline is changed to 1/31/2021.

G. The Commencement of Construction deadline is changed to 2/28/2021.

H. The Completion of Construction deadline is changed to 5/31/2022.

I. The Certificate of Completion deadline is changed to 7/31/2022.

3. A new **Exhibit G** to the Amended DDA reflecting the above dates is attached hereto, incorporated herein by this reference, and replaces the prior Schedule of Performance.

4. All terms, conditions, and definitions of the Amended DDA, except as expressly amended hereby, shall apply to this Second Amendment. To the extent that any other term or condition of the Amended DDA is based upon or contingent upon an amended milestone date, such term or condition is hereby amended to conform to the new milestone date. Except as amended herein, and except as is necessary to conform the terms and conditions of the Amended DDA to the foregoing amended milestone dates, the Amended DDA is ratified and affirmed.

ARVADA URBAN RENEWAL AUTHORITY
AGENDA INFORMATION SHEET

Agenda No.: Item 8B
Meeting Date: September 4, 2019
Title: Ralston Creek North – Eighth Amendment to the Disposition and Development Agreement (DDA)

ACTION PROPOSED: Approve the Eighth Amendment to Ralston Creek North Disposition and Development Agreement (DDA)

INFORMATION ABOUT THE ITEM: Dry cleaning fluid was discovered in the groundwater beneath the former Arvada Square shopping center. AURA, Loftus and Alliance Residential (the developer contracted to build active senior housing on the site) met with Colorado Department of Health and Environment (CDPHE) to discuss a Corrective Action Plan (CAP) which will determine the best methodology to clean up the site. The goal is to receive a Conditional Closure from CDPHE to enable the property to be developed. More testing is required to determine the exact location of the contamination prior to creating a CAP - therefore the method, timing, expense and understanding of what property can and cannot be developed is still unknown. Due to these unknowns, Alliance Residential terminated their agreement with Loftus on July 25, 2019.

Per the AURA Board's direction, the property needs to be re-imagined – what does the market want to develop on the site? We have engaged David Hicks Lampert to advise us on retail and Chris Cowan, Executive Managing Director with Newmark Knight Frank, on the housing. Chris specializes in urban infill and suburban sales for all multifamily and mixed use product types. We have retained Shears Adkins Rockmore to take the recommended market uses and re-imagine the site plan to include the market-driven product types, the site constraints, and incorporate connectivity and place-making. A draft site plan will be presented to the Board for their review during the November Board meeting, with a finalized plan by the end of the year.

In order to accommodate the environmental cleanup and re-imagining of the site, the schedule of performance needs to be amended to allow additional time. Understanding that we do not, at this time, know the timeframe for the environmental cleanup, the revised milestone dates are subject to change. Below are the revised milestone dates:

- Present a revised site plan to the AURA Board for approval by 12/31/19
- Secure a developer(s) by 6/30/20
- Submit a PDP to the City by 12/31/20
- Close by 12/31/21
- Commence construction by 2/28/22
- Complete construction by 2/28/24

FINANCIAL IMPACT: This amendment does not change the financial structure of the DDA.

STAFF RECOMMENDATION: Staff recommends approving the Eighth Amendment to the Ralston Creek North DDA.

SUGGESTED MOTION: I move that the AURA Board approve the Eighth Amendment to the Ralston Creek North Dispositions and Development Agreement between the Arvada Urban Renewal Authority and Ralston Creek North LLC.

Eighth Amendment to Ralston Creek North Disposition and Development Agreement

WITNESSETH

Whereas, the Arvada Urban Renewal Authority (the "Authority") and Ralston Creek North, LLC, ("RCN" or "Original Redeveloper") (each a "Party," and collectively, the "Parties") entered into a Disposition and Development Agreement (the "DDA," incorporated herein by this reference) on or about November 4, 2015, for the redevelopment of certain property located within the Ralston Fields Urban Renewal Project Area for a mixed-use development, which DDA has been amended by the First Amendment to the DDA on or about October 20, 2016, the Second Amendment to the DDA on or about March 2, 2017, the Third Amendment to the DDA on or about May 3, 2017, the Fourth Amendment to the DDA on or about October 4, 2017, the Fifth Amendment to the DDA on or about October 3, 2018, the Sixth Amendment to the DDA on or about November 7, 2018, and the Seventh Amendment to the DDA on or about March 6, 2019;

Whereas, among other matters, the DDA and its subsequent amendments set forth certain milestones for accomplishment of certain tasks by the Parties on or before a specified date;

Whereas, the Authority and RCN wish to amend the DDA again (hereafter, the "Eighth Amendment") to address groundwater contamination discovered within a portion of the project area described as the Senior Housing Property in the Sixth Amendment to the DDA;

Whereas, the Parties acknowledge tetrachloroethene contamination ("PCE") discovered in groundwater from a former dry cleaner within the Senior Housing Property requires work with the Colorado Department of Public Health and Environment ("CDPHE") to create a Corrective Action Plan ("CAP") that will determine the best method for cleaning the polluted groundwater;

Whereas, the Parties agree that, prior to redevelopment of the Senior Housing Property, the CAP must be implemented, the groundwater must be cleaned to an acceptable level, and CDPHE must issue a conditional closure of the CAP;

Whereas, the CAP process has and will delay the redevelopment timeline for the Senior Housing Property by, among other things, causing the planned purchaser and developer of the Senior Housing Property, Alliance Realty Partners, LLC ("Alliance") to terminate its agreement with RCN as of July 25, 2019;

Whereas, because of the groundwater contamination and the associated remediation, it may be prudent to redefine the boundaries and intended use of the Senior Housing Property by, for example, isolating the contaminated site and allowing the remaining site to be developed alone or in conjunction with the adjacent Retail Property, as described in the Sixth Amendment to the DDA; and

Whereas, the Authority and RCN wish to allow time to explore these possibilities so as to understand what is most feasible for successful redevelopment of the Senior Housing Property and Retail Property.

In consideration of the following promises, covenants, agreements and other good and valuable consideration, the sufficiency and adequacy of which are hereby acknowledged and confessed, it is THEREFORE AGREED BY THE PARTIES AS FOLLOWS:

1. The following milestones and deadlines are hereby added to the DDA's Schedule of Performance, Exhibit F, of the DDA:

- RCN shall present a site plan for the Senior Housing Property, as it may be amended, to the Authority Board for its review and approval no later than January 31, 2020.
- RCN shall secure developer(s) for the Senior Housing Property, as it may be amended, no later than June 30, 2020.
- RCN shall submit a preliminary development plan to the City for the Senior Housing Property, as it may be amended, no later than December 31, 2020.
- With the Authority's prior consent and assignment as required by the DDA, RCN shall close on the sale of the Senior Housing Property, as it may be amended, no later than December 31, 2021.
- Construction on the Senior Housing Property, as it may be amended, shall begin no later than February 28, 2022.
- Construction on the Senior Housing Property, as it may be amended, shall be complete no later than February 28, 2024.

2. Section 8 of the Sixth Amendment to the DDA, approving Alliance as an assignee or transferee under Section 13.01(a) of the DDA is hereby repealed and rendered null and void, and all references to Alliance in the Sixth Amendment of the DDA are hereby stricken. The Authority must provide new consent before RCN may convey, transfer or assign any interest in Senior Housing Property to another entity and before RCN may convey, transfer or assign any of its rights or obligations under the DDA relating to the Senior Housing Property to another entity.

3. Except as modified above, the DDA, as previously amended, is hereby ratified and affirmed. All terms, conditions, and definitions of the DDA, except as expressly amended hereby shall apply to this Eighth Amendment. To the extent that any other term or condition of the DDA is based upon or contingent upon the amended term or condition of this Eighth Amendment, including a milestone for performance, such term or condition is hereby conformed to this Eighth Amendment except as amended herein. Except as is necessary to conform the terms and conditions of the DDA to this Eighth Amendment, the DDA, as amended, is ratified and affirmed.

4. This Eighth Amendment shall be effective upon its execution by both Parties. The Parties may execute this Eighth Amendment in counterparts, each of which shall be deemed an original.
